

24th-26th of March 2023: KDS course with Partik Hautanen in Sofia, Bulgaria

Hello, KDS Friends!

We have the pleasure to invite you for a third time in Bulgaria to a KDS course with Patrik Hautanen - V dan from Finland!

Everybody who is familiar with Partik knows that the practice with him is a unique experience not only for the moment but for a long time. The practice with him makes you think and rediscover what you have learned again and again.

Patrik has developed his karate for many years under the supervision of Sensei M. Harada and is well known for his unique methodology and pedagogical approach.

The theme of this course will be: "How to create impact using your body, and how to block and counter a strong attack" - kata Sochin and Tekki Sandan and something more (there is always "something more" which is the most interesting at the end).

This year, for the first time, Bulgaria will organize a course as part of the large KDS family. We are expecting many of our friends from all over the world who will make this experience even more unforgettable!
